Marc McQuillen, CFA joins Tactex Asset Management as Portfolio Manager

Montreal, May 23rd, 2014, (General Release) -- Tactex Asset Management Inc. ("Tactex") is pleased to announce that Marc McQuillen has joined the firm as a Portfolio Manager. Mr. McQuillen has over 20 years experience in a financial services having had great success in both institutional and retail money management with some of Canada's top firms.

"We are thrilled that Marc is joining us. His global strategy model brings Tactex a product that is truly unique in the Canadian market", said Liam Cheung, President and CEO of Tactex.

"I'm equally excited to be part of the Tactex team," Marc commented. "Established infrastructure and experience with discretionary portfolio management were key attributes I was seeking in a platform to launch my strategy. Tactex provides me with support and flexibility to deliver global investment opportunities to clients at a reasonable cost."
