

In this issue: new members, forum pricing, job board, year in review, committee spotlight

AIMA Canada

Newsletter - February 2017

New AIMA Canada Members

Tactex Asset Management

FYI: AIMA membership is corporate and all employees of all members (in a given region, sometimes within a business unit) are eligible for member benefits such as committee membership, board representation, access to the full AIMA website, member-only invitations and pricing, speaking roles, and sponsorship opportunities. Please contact the AIMA Canada office to take advantage of these benefits!

For a complete and updated list, please see our [Member Directory](#). (New members do not include those who have submitted their application but have not completed payment yet.)

September Investor Forum Prices Rise April 1

We are ahead of schedule in planning this year's panels and logistics (details [here](#)). Members who would like to attend or sponsor should do so (or request more information from the AIMA Canada office) ASAP as our early bird rates expire on April 1.

As well, we have added a special Day One lunch (special speaker) for investors, speakers, and sponsors only - so if you might like to be a part of it, please consider sponsorship (which allows us to break-even much easier - quite important for our non-profit!). Sponsors also receive a program advert and special recognition/exposure opportunities (dependent on level of sponsorship and chronology - hint: earlier is better).
