

Press Release

Florin Pop, CFA, CFP joins Tactex Asset Management as Portfolio Manager

Montreal, May 27th, 2014, (General Release) -- Tactex Asset Management Inc. ("Tactex") is pleased to announce that Florin Pop has been promoted to Portfolio Manager. Mr. Pop is a highly-regarded investment professional who is in the forefront of the movement to provide low cost, high quality financial planning and investment advice to Canadian families. He has been working as an Associate Portfolio Manager since September 2012, and has helped grow the business and maintain exceptional client satisfaction during his tenure with Tactex.

“We are thrilled with what Florin has been able to achieve in his time with Tactex, and we expect him to have continued success as a Portfolio Manager. His commitment to changing the way financial services are delivered and priced is something that we are excited to be a part of. Florin is at the forefront of revolutionizing Canadian financial services”, said Liam Cheung, President and CEO of Tactex.
