Purchases, Redemptions and Distributions

Subscription Procedure:	<p>Subscriptions for Units will be made by the Manager in its capacity as portfolio manager on behalf of an investor's fully managed account in accordance with the terms of an investment management agreement entered into by the investor and the Manager.</p> <p>A subscription will be completed upon acceptance of a subscription agreement by the Manager and receipt by the Fund of a form of payment acceptable to the Manager, representing payment of the subscription price.</p> <p>Subscriptions may be processed on each business day (each, a "Subscription Date"), subject to the Manager's discretion. Subscription will be completed by the Manager no later than 4:00 p.m. (Toronto time) on the relevant Subscription Date, and subscription monies in cleared funds must be received before the time of the subscription in order for the subscription to be accepted as at that date; otherwise the subscription will be processed as at the next Subscription Date. Monies received before a Subscription Date will be held in a bank account in trust for the subscriber. Settlement of subscriptions for Units of the Fund will occur on the next business day.</p>
Allocations for Tax Purposes:	<p>The Manager shall compute the net income and net capital gains of the Funds for each taxation year in accordance with the provisions of the Tax Act. Such determination shall be made not less frequently than as of the close of business on the last day in each taxation year.</p>
Distributions:	<p>The Fund will distribute at the end of each quarter such portion of its annual net income and net realized capital gains as will result in the Fund paying no ordinary income tax under Part I of the Tax Act. Generally, Unitholders will be allocated net income and net capital gains in such amounts as reflect each Unitholder's pro rata share of such income and gains earned over the period during which such Units are outstanding. The Fund may make distributions out of net income, net realized capital gains and capital on such other dates during the year as the Manager in its discretion may decide. All distributions will be automatically reinvested in additional Units.</p>

<p>Redemptions:</p>	<p>A Unitholder may redeem Units on each business day (each, a "Redemption Date"). Redemptions are irrevocable except with the consent of the Manager (in its absolute discretion) or following a suspension as described below.</p> <p>The redemption proceeds of Units being redeemed will be equal to the Net Asset Value per Unit of the Units being redeemed less any applicable fees and deductions relating to trade execution. Redemption proceeds will be paid to your funding source within five (5) business days of the Redemption Date. Redemptions may be suspended in whole or in part in certain circumstances. The Manager may suspend redemptions of Units of the Fund for the whole or any part of a period during which normal trading is suspended on any securities exchange on which securities are listed and posted for trading, if those securities represent more than 50% by value, or underlying market exposure, of the total Net Asset Value of the Fund, and at such other times as the Manager is of the opinion that the Net Asset Value cannot reasonably be determined. Redemptions may also be suspended when required to do so under securities legislation.</p> <p>The Manager will provide notice to a Unitholder requesting redemption of any redemption suspension noted above. During the suspension period, requests for redemption of Units may be withdrawn within three (3) business days following the applicable Redemption Date. To the extent that a request for redemption is not withdrawn, the redemption will be effected as of the first Redemption Date following the recommencement of redemptions. Where possible, all reasonable efforts will be made to bring any period of suspension to an end as soon as possible.</p> <p>The Manager has the right in its absolute discretion to require the redemption of some or all of the Units owned by a Unitholder by notice in writing to the Unitholder.</p>
<p>Transfer or Resale of Units:</p>	<p>Units of the Fund may only be transferred with the consent of the Manager and transfers will generally not be permitted. The transfer or resale of Units (which does not include a redemption of Units) is also subject to restrictions under applicable securities legislation. Accordingly, redemption of the Units in accordance with the provisions set out in the Master Trust Agreement is likely to be the only means of liquidating an investment in the Funds.</p>
